

Dear PTA Advocate,

Thank you so much for stopping by the Teachers Curing Kid's Cancer booth at the recent PTA Leadership Conference. My friends and I really appreciate your enthusiasm for TCKC.

There are a number of ways your school can participate and several people who should know about TCKC now!

- **Room Mom Chairperson-** Room Moms can collect money for teachers for Holiday Gifts, End of the Year Gifts, and sometimes for the teacher's birthday.
- **Teacher Appreciation Week Chairperson-** On one day of the week, ask every student to give one dollar and allow those who donate to wear a hat, pajamas, bring a can of soda, etc. Then, you are able to donate as a school.
- **Teachers-** Request that your Room Moms choose TCKC for the gift that helps cure childhood cancer!

We have other resources for your on the [website](#), including:

- Form Letter from PTA Advocates (that's you!) to Room Moms
- Form Letter from Room Moms to Parents
- Form Letter to Principal or Athletic Director

All this has been included to make your job easier. Feel free to adapt these letters to suit your needs. Please send the appropriate letters to the PTA volunteers you work with to help spread the word about TCKC.

Check out our website- www.teacherscuringkidscancer.org -you'll see some photos of TCKC at the Conference under "News." There is also a section devoted to Room Moms that has everything they will need to know. Also, donations can be made online.

Thanks again for stopping by and learning about Teachers Curing Kids' Cancer. Best of luck in the new school year!
